Cuticura Cannot Be Curled.

With local applications as they cannot reach the seat of disease, Cuticura is a blood purifier and is used to cure it. You must take internal medicine. Hall's Catarrh Cure is taken internally and acts directly on the blood and mucous surfaces. Hall's Catarrh Cure is not a quick medicine. It was prescribed by one of the best physicians in this country for years and is a regular prescription. It is composed of the best medicines known, combined with the best blood purifier, acting directly on the blood and mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing Catarrh. Send for leaflet and medicine.

Suppose there are more substantial business houses in that town than can be found in any other city of its size in the state. In fact, Mayville is an "uptown" town. They have four banks, a city hall, a city court, and as many as a dozen, where they did a business of seven millions a week before the storm. Mayville has two railroads, the L. and N. and C. and O. and one river, the Ohio, I believe. She has a cotton mill that employs 400 hands the year round; a power company that employs 100 hands; six cigar factories; gas, electric and waterworks; electric street railway; twenty-two saloons, enough for any town.

Mayville has two hotels, the Central and New St. Charles. I met my old friend, T. Mehan, at the latter. He is looking and doing well. He was a student of the law and is as popular in Mayville as he was in Lexington in the palm days of the "Little Parlor." Hopper & Hunter forced me to leave Lexington, where I was not happy. The scenery from this dining room would make any man enjoy the delicious meals they serve. The hotel is right on the C. and O. Railroad overlooking the beautiful Ohio.

The L. and N. has an attractive new Depot. Ten Churches, all denominations, are a credit to the city. The Catholics are building a new \$50,000 Church. Several wholesale whisky houses, three distilleries and bottling works bring up the rear.

W. C. Rogers, formerly of Lexington, is book-keeper for G. W. Rogers & Co. Will has joined two Prohibition Societies, the United and the Salvation Army.

John Fanter, formerly of Lexington, and brother-in-law of Mr. Will Hardeston of Lexington, is doing well and is as crazy as ever. He reported two cases of smallpox and several mild cases of snakes in his part of the city.

Will H. Lynch, The Leader reporter and the best known correspondent in Mayville, showed me the sand hole in which the Negro was burned last December. Will made \$25 out of that hole. He represents twenty-seven big daily papers.

The Leader is extensively read in the proud and aristocratic capital of Kentucky, and many of your readers asked me about the new \$200,000 city building and expressed a desire to be in Lexington at the funeral. I told them I would give them due notice through The Leader.

I was under the impression that Colonel W. B. Baldwin lived in Mayville, but I was mistaken. He owns Mayville, but lives about 1 1/2 miles outside the gates. I sighted his two-story "heaven" several blocks away. He is a sort of a lighthouse for strangers. Yours as ever,

Quotation Answered.

Yes, August Flower will save the largest sale of any medicine in the civilized world. Your mother and grandmother have never thought of using anything else for Indigestion or Biliousness. Doctors were scarce, and they seldom heard of August Flower. It was called the "Great Family Doctor," etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and in all they took when feeling dull and bad with headaches and other aches. You only need a few drops of August Flower in liquid form, to make you satisfied there is nothing sweeter the matter with you. For sale by J. C. Peck.

Taylor, Republican 193,714
Goebel, Democrat 191,331

Taylor's majority over Goebel . . . 2,383

It was because of these figures that two out of three of Mr. Goebel's own Election Commissioners, Judge W. S. Pryor and Captain William Ellis, issued a certificate of election to Mr. W. S. Taylor; and it was because of that certificate that Democratic Chief Justice Hazelrigg administered to Mr. Taylor the oath of office and he entered upon his duties as Governor.

NO COURT DECISION CAN CHANGE EITHER THESE FIGURES OR THESE FACTS.

In addition, there were other votes cast against Goebel at the election on November 7th, 1899, as follows:

Add Taylor's vote 193,714

Total against Goebel 208,892

Goebel's total vote 191,331

Total majority against Goebel . . . 17,561
